*A Message from the Premier
to
Joe Roberts*

Congratulations on all of the work you have put into developing *The Push For Change* initiative.

I am pleased to lend my support for efforts that help youth make better choices and that help youth overcome adversity. It is all about community engagement and youth involvement. Standing up, raising awareness through journeys like yours, and developing partnerships in prevention-focused efforts, is key to making a difference.

I commend you for your commitment to helping homeless and troubled youth, and for carrying your message across the country. Your mission is inspiring; your approach is engaging; and, your determination is motivating.

I wish you all the best on your cross-Canada trek to engage Canadians in a dialogue about a very tough and challenging social issue – youth homelessness. I do believe that by working together with all stakeholders and all segments of society, efforts like yours can truly make a difference.

Sincerely,

A handwritten signature in blue ink that reads "Christy Clark".
