Dear Mr. Roberts:

I am pleased to provide this letter of support for your inspiring new initiative, *The Push for Change* campaign.

Homeless youth face many diverse challenges throughout their lives and initiatives such as yours help build community awareness of this issue and mobilize support for solutions. Our government recognizes that by addressing youth homelessness, including through prevention-based programming, we can build stronger communities throughout Newfoundland and Labrador and across the country.

I would like to congratulate you and your team on the upcoming launch of the campaign and wish you well throughout your journey.

Sincerely,
