A very special round robin hockey tournament took place Saturday in Kincardine.

A very special round robin hockey tournament took place on Saturday (Feb. 18th) at the Davidson Centre in Kincardine.

Former NHL Hockey Players, South Bruce OPP and Kincardine Fire Department members hit the ice with students from Kincardine District Secondary School over the weekend in a fight to end homelessness.

Thanks to the generosity of the community, The Push For Change Hockey Challenge managed to raise just over \$17-hundred dollars.

Half of the proceeds will go to the Push For Change Charity while the other half will go to the Grey-Bruce YMCA Housing Services.

Former NHL'ers Greg Devries and Boyd Devereaux were both on hand to not only play in the tournament but also sign autographs for many fans in attendance.

The winners of the tournament were none other than the students from Kincardine District Secondary School.
