## MESSAGE FROM THE CITY OF MEDICINE HAT

---

On behalf of the City of Medicine Hat, it gives me great pleasure to welcome **JOE ROBERTS** to Medicine Hat on Friday, June 16<sup>th</sup> as he continues his journey across Canada to promote the prevention of youth homelessness.

The City of Medicine Hat in conjunction with the Medicine Hat Community Housing Society has had significant success in reducing homelessness within our community. I have been involved in the implementation of the successful plan, therefore I can personally relate to the many challenges and experiences you are going through as you foster this initiative.

Your effort, leadership and dedication to “The Push for Change” is remarkable. I thank you for promoting this important initiative in your cross Canada walk, and I wish you every success in this very worthwhile cause.

Sincerely,

A handwritten signature in blue ink that reads "Ted Clugston".

Ted Clugston, Mayor
