A Message from the Mayor

On behalf of the citizens of Vancouver, and my colleagues on City Council, I want to commend The Push for Change Foundation for its efforts in organizing The Push for Change Grand Finale on September 29, 2017 @ the Vancouver Public Library.

The City of Vancouver is honoured to be welcoming Mr. Joe Roberts, former homeless youth (from the downtown eastside) turned successful entrepreneur. Joe has been pushing a shopping cart 24km per day across Canada since leaving Newfoundland on May 1, 2016. The Final Push will happen after Joe has completed 517 days, in downtown Vancouver. It is a national grass roots movement to raise awareness and funds to prevent youth homelessness in Canada.

I would like to wish the Foundation success in the future.

Yours truly,

Gregor Robertson
MAYOR
