**MAYOR**

September 2017

On behalf of Burnaby City Council and the citizens of Burnaby, it is my pleasure to welcome Joe Roberts to our city and to commend the entire Push for Change Foundation for its efforts in raising awareness and funds to prevent youth homelessness in Canada. We are honoured to have you here in Burnaby and it is my privilege to offer our sincere appreciation and congratulations on tackling the trip from coast to coast while making an impact in communities all along the way.

The 9,100 kilometer journey that started on May 1<sup>st</sup>, 2016 in Newfoundland comes through Burnaby on September 28<sup>th</sup>, 2017 and I want to congratulate all those involved in this grass roots movement for change. The Push for Change Campaign has drawn attention to an issue that is critical to many cities here in B.C. and others throughout Canada and adds a strong voice to the advocacy efforts taken by the City of Burnaby in our conversations with Federal, Provincial, and Regional governments.

The story of Joe Roberts and the Push for Change Campaign is an incredibly inspiring one and you can be sure all the citizens of Burnaby and Canada are behind you. Congratulations again and all the best for the last leg of your journey!

Sincerely,

A handwritten signature in black ink that reads "Derek Corrigan".
