Message from the Mayor

It is my pleasure to extend a warm welcome to Joe Roberts as you pass through Toronto on The Push for Change. Your journey across Canada has already been successful in raising awareness and funds for the prevention of youth homelessness.

As you sacrifice your time and effort to this cause, you are making a difference in the lives of many high-risk young people. Your own story has been one of bravery, survival and courage. It has inspired many to keep fighting and for others to join-in.

On behalf of Toronto City Council, I wish you a successful journey as you push for change. We thank you for your commitment to ending end youth homelessness.

Yours truly,

Mayor John Tory
City of Toronto
