Joe Roberts
Push for Change

As Member of Parliament for the Bay of Quinte, it gives me great pleasure to extend my warmest congratulations to you on the *Push for Change* initiative.

I commend you for sharing your very personal story about your own experiences as a homeless youth. Through your efforts you are helping to educate the public, and raise awareness about this very important issue. Canadians must strive to better understand the root causes of youth homelessness, eliminate systemic barriers, and clear the path for the bright future that we want for every Canadian.

Push for Change has helped focus national attention on a problem that affects our country from coast to coast to coast. Youth homelessness must not be ignored. Our young people are the future of this country, which is why the actions that we take today are so crucial.

I want to thank you for your passion, hard work, and determination in helping to advance this cause. You are giving homeless youth a voice, and helping to elevate this issue on a national level. As you continue your journey, I send my support and the sincere hope that all Canadians can work together to find sustainable solutions to end youth homelessness. I am of the opinion that this would be one of the greatest expressions of our commitment to the future.

Sincerely,

Neil R. Ellis, MP
