Matt Durnan

The United Way, Blue Door Soup Kitchen, and Joe Roberts from "Push for Change" teamed up Monday evening to help Sudburians warm up.

While the temperature may not have been as frigid as it was a week ago, that didn't stop Blue Door Soup Kitchen staff from serving up bowls of chili at Memorial Park.

Roberts was wrapping up his trip through Sudbury, as his 517-day [Push for Change campaign](#) travels across the country.
