

OFFICE OF THE MAYOR  
THE CITY OF REGINA

May 19, 2017

**MESSAGE FROM THE MAYOR:**

On behalf of my colleagues on City Council and the citizens of Regina, it is my pleasure to welcome Joe Roberts on The Push for Change as you travel through our City on day 384 of your 517 day trek.

Being homeless at one time yourself, you know all too well the difficulties that homeless youth face on a daily basis. Your story and how you turned your life around is truly inspiring and a testament to the idea that anything is possible.

Raising awareness and funds to prevent youth homelessness is to be applauded, and putting in place the tools needed to provide help to youth before they end up homeless is a goal we all should be working toward. Your cause brings this issue top of mind and helps to provide a catalyst for such a change to take place.

Thank you for bringing your message to Regina and we wish you a successful journey for the remainder of your trip!

Sincerely,

Michael Fougere  
Mayor
