Dear Joe,

Canada is more than just a country; it's a place of inspiration, innovation, and diversity. It's our home. That's why Shaw is celebrating our country's 150th anniversary by granting 150 birthday wishes to recognize the outstanding individuals and organizations that go above and beyond to make a difference in the lives of Canadian children and youth.

Through this program, we asked Canadians to tell us about someone that's making Canada a better place for kids. We received a large number of nominations, and were moved by the many amazing stories of outstanding individuals and their incredible dedication to our communities. We were especially touched by your story and are proud to recognize you as a recipient of Shaw's Outstanding Canadian Grant.

It's our pleasure to award you with the enclosed commemorative pin in recognition of your hard work. A \$1,500 donation will also be made in your name to your selected charity.

On behalf of all of us here at Shaw Communications, thank you for making our country a better place for kids today and for generations to come.

Sincerely,

JR Shaw
