2016

The “Push for Change” is a walk across Canada to Support the End of Youth Homelessness!

It began May 1, 2016 in St. John’s, NL for 517 days ending in Vancouver, BC on September 30, 2017.

Joe Roberts is walking, pushing a shopping cart over 9000kms through 10 provinces with visits to our 3 territories and over 400 Community and School Events.

The shopping cart is a symbol of Joe’s personal transformation out of youth homelessness. It represents the very outcome (chronic homelessness) they are trying to avoid for future generations of young Canadians.

Here are some photos from Joe’s visit to Fredericton during the Fredericton Police Force “Touch A Truck” and “First responder Open House”.
